

Hirosaki Castle

Built in 1611, Hirosaki Castle served as the home of the Tsugaru clan. The castle grounds cover a massive 49.2 hectares, featuring six main areas surrounded by three moats. You can explore the inside of the three-story castle keep, which was rebuilt in 1811.

[Admission Info] A ticket is required for the Honmaru (Main Bailey), Kita no Kuruwa (North Bailey), and the Botanical Garden. [Tickets can be purchased at the entrance of each facility.](#)
